Dedication

Roy and Gayle Krumland

The Annual Staff of 1960 dedicates this annual to you, Mr. and Mrs. Krumland, as an expression from the whole Student Body of sincere appreciation for you and the many services both of you have performed for the whole school.

We realize that this is a very small token in comparison to the outstanding work you have done both inside and outside the classroom, but the Staff takes pleasure in using this means of saying "Thank you" many times again.

Sincerely,

Annual Staff

A TRIBUTE TO MR. CALLAGHAN

The Annual Staff is honored to dedicate this section of the Annual to Superintendent B. J. Callaghan, who is retiring after thirty-six years of dedicated service to Liberty Union High School.

Liberty has been fortunate that Mr. Callaghan chose to serve here, for he has been a devoted leader who grasped every opportunity to establish a sound educational system in this school.

He is a recognized leader in education throughout the state, having occupied enviable positions on state committees (too many to include here), one of which has been the State Evaluation of Schools Committee for the accreditation of high schools. He has served on numerous state, county, and local committees. One might wonder why he chose to remain in Brentwood in preference to teaching in larger schools. This was worth investigating, so this "snooping reporter" looked into "The Secret Life of Mr. Callaghan" (from the "informer.")

Mr. Bernard Joseph Callaghan, alias, "Barney," "B. J.," "Major," and "Pat" was born in Redlands, California, graduated from Redlands High School, and from there went to the University of California at Berkeley, where he majored in chemistry, receiving his teaching credential after five years of study. There, too, he met Miss Katherine Regan who he married after three years of teaching at Liberty. It was during those early "Cal Days" that he acquired two of his nicknames: "Barney," used almost exclusively by his wife, and "B. J." tagged by his classmates.

When Mr. Callaghan accepted the position as teacher at Liberty, there were no telephones, no heat, no other conveniences now available. He handled all student accounts, attendance records, and sundry reports. As a new teacher, he was freshman advisor, play coach, and heir to the "odd" jobs left over after the "old" teachers had made their choices. He did these "odd" jobs so well that his principal called him "Major." The "Major" became Vice-Principal, Principal, and Superintendent. Obviously these indicate a rise in position, but the "Major" has consistently objected to the terminology "rise in position;" rather, he asserts that there is no higher position than that of the teacher.

When asked why he had chosen to stay in Brentwood, the answer was that when he came here, he found the people friendly, that he liked the people and his position, and saw no reason to go elsewhere. He had the feeling that he was growing with the school and community, and that he has been happy here. In this relationship he became known as "Pat," so named by his friend, Dr. Robbins.

We now speak directly to Mr. Callaghan: "Our dear Mr. Callaghan, the members of the Annual Staff, speaking for the entire Student Body of Liberty, say "thank you" for your guidance, your dedicated service to the school, and your confidence in us. We know that the task has not been easy, but we know, too, that whatever your task, you possess the dignity, the stature, the spirit, and personal conviction to rise to the occasion."

Administration and Faculty

1959-60

Much thought, work and worry by editor, staff and advisors must precede the production of such a beautiful annual as the 1960 Lion. Those whose efforts have made it possible are indeed entitled to our thanks, and to a feeling of pride in a job well done.

The past year, which this annual so well records, has added another worthy chapter to the history of our school; a history of which we may all be proud. That the future may hold even more fruitful years for Liberty is my parting wish. I am deeply grateful to all the fine people, both students and adults, who have made my years of association with Liberty such happy and rewarding ones for me.

B. J. Callaghan, Superintendent

Congratulations to the members of the Annual Staff on the excellence and beauty of this book and to the members of the class of '60 upon the attainment of this level on the educational escalator to future achievement.

Custodians

When it comes to handing out the praise and thanks for a job well done, the hard working custodians are usually overlooked. In fact, they were so busy the day we took their picture only two could be rounded up.

Many thanks to our custodial staff headed by George Gamble, "Buck" Belscher, Jim Rogers, Cecil Epling, John Addington, and Bob Nunes.

George and Buck pause for their picture.

Class of 1963

The Freshman Class had a profitable and exciting year. We started with a swell reception given by the Sophomore Class. Our Freshman dance proved to be a big success, and our coke sale was equally profitable. Things really got rolling when we entered a float in the Homecoming Parade. This whole first year at Liberty has been a wonderful one, and we hope the years to come will be as enjoyable.

Student Council is the legislative branch of our school government. It is composed of the Student Body Officers, and representatives from the classes and organizations. Some of its more important functions are to set dates for school activities, and to pass laws for the improvement of our school.

The Liberty Student Court functions as two bodies. As the merit board its function is to pass all merits and hear all demerit appeals. As a regular court it hears cases involving students, student organizations, etc.

The court is composed of the Chief Justice, six Associate Justices, a merit clerk, a court secretary, advisors, and the Commissioner of Justice.

The CSF had an interesting and busy year of unusual activities. The first semester the members assisted with senior pictures and took a trip to San Francisco. During the second semester members sponsored a dance, held the annual carnival, took a spring trip, and ushered at Baccalaureate and the graduation exercises.

Officers for the year were: president, Mary Jo Durham; vice-president, Sally Hummel; secretary-treasurer, Deanna Garcia.

The LUHS Girls' League Cabinet is composed of the following officers: president, Gwena Painter; vice-president, Pamela Tennant; secretary-treasurer, Linda Rangel; class representatives, Maudie Willis (senior); Hideko Shiroyama (junior); Sally Hummel (sophomore); and Linda Doyle (freshman).

The purpose of the League is to include all girls in school, who provide elected representatives to the Girls' League Conference.

League activities are carried on by the cabinet who planned the dance in May and arranged other activities.

This year's Cabinet has done a splendid job with the help of the advisors and the officers. The group meets regularly to discuss problems and to make recommendations for improvement. A new development this year was a discussion and designation of duties of the Sports Manager. The Cabinet encourages good sportsmanship and tries to help correct all acts that do not lead to it. The year has been a profitable and enjoyable one, and the members look forward to another successful one.

Deanna Garcia was the president for the first semester. Connie Hartwig finished the year very successfully. They were assisted by their advisors, Mrs. Jiminez and Miss Graber.

The Girls' Block L is composed of those girls who have earned 24 credits, attended the required number of playdays, and received the required number of service credits.

The girls enjoyed giving a progressive dinner, each girl furnishing a different course. The picnic at the end of the year was fun, too.

Belonging to the Girls' Block L is an honor and a great achievement for a GAA member.

The Block L society is composed of varsity letter winners.

This year the society sponsored the Harlem Clowns and a March dance; helped with the Christmas food drive and aided with student body assemblies. Also, the organization purchased films for some of the home football games and weights for a weight training program.

The Future Farmers of America is a national organization of boys enrolled in high school Vocational Agriculture classes. The FFA motto is:

Learning to do
Doing to learn
Earning to live
Living to serve

The FFA has many functions during the year. One of the most exciting was the Barn Dance, the first dance of the year.

Their program leads to the improvement of Agriculture as a whole, and ultimately to the ownership of the farms and the improvement of rural citizenship.

The future Homemakers, an organization of girls taking courses in homemaking, had a variety of activities during the year, beginning with an initiation of new members. The initiates were required to wear aprons with F.H.A. printed on them. Other activities included banquets, a dance, a picnic, and a dinner for seniors at the end of the year.

The past year has been a very eventful one for the CEC. The club sponsored a program for senior girls who were interested in the teaching career. These girls were given a teaching assignment in the various elementary schools under the supervision of the teachers in those schools, thus providing them with enough experience as to enable them to decide whether or not they would enjoy teaching as a career. Two interesting projects were the banquet and the fund-raising project to support a scholarship for a deserving senior.

The Latin Club survived a very busy year of trips and activities, which included a trip to San Francisco on October 10, to see "South Sea Adventure" in cinerama, a visit to the aquarium, and to Fisherman's Wharf for dinner; a successful banquet on November 17, when new members were sold as slaves as a part of initiation to raise money; a trip to see "Ben Hur" on February 20; a trip to Los Angeles to attend the Junior Classical League on March 18,19,20; and finally a successful picnic on June 1 with swimming and plenty of food.

The Spanish Club has had a very successful year, both money-wise and in membership, showing a decided increase in enrollment.

The Club's Record Dance was most successful, as was the trip to San Francisco. The Club gave a picnic at the end of the year to say farewell to senior members and the outgoing and incoming officers.

The club members and the advisors anticipate success and prosperity for the coming year.

This is the first year that Liberty has had a Future Nurses Club. The club is sponsored by the Oakley Women's Club, with Mrs. Bell as advisor.

Activities included participation in local clinics; lectures on food handling and dietician's careers; a visit from a student nurse from the University of San Francisco; a field trip to the County Hospital.

The club strives to foster interest in careers relating to health and to inform the members of the wide variety of opportunities in health careers.

The Sophomore Class has had a very busy year. We started off with giving the Freshmen a reception and our annual coke sale, which was very profitable. Then came the most important event of all, the Sophomore Hop, which had the theme of "Harbor Lights." I'm sure everyone had a terrific time. We also think our class rings are great and we are really proud of them.

This year has been wonderful and we are looking forward to being Juniors.

Quest

The membership of QUEST consists of students taking English Literature, a new addition to this year's curriculum. Primarily engaged in a study of tragedy, the group has journeyed to San Francisco to see Shakespearean performances, has put on scenes from HAMLET before the English classes, and currently plans a summer trip to Ashland, Oregon to attend the Shakespearean Festival. Through means of reading, discussing, acting and writing, Quest's members, led by president Michael Griffith, vice president, Sally Humel, secretary Diane Fredricks, and treasurer Emil Geddes, considers man's world of thought and feeling by seeking to know themselves.

Class of 1961

The class of "61" had a very successful and busy year, beginning with the Homecoming Coke sale, a very profitable project, and entering a float in the parade. In December the class had another successful undertaking, the Basket "Ball." During the Christmas season the class brightened the last few days before Christmas by selling candy canes to the Student Body. The highlight of the year, however, was the Junior Prom held on March 11, 1960. Junior School days came to an end with a picnic fun day enjoyed by all, but the class is looking forward to being called "The Almighty Seniors."

Davis and Dyer bring an Antioch Panther down.

Martinez tackles Antioch man who has faked out Minor and Ricioli.

Ef does it again!

Nice fake by Hollen, good gain!

Did he make it?

Barrios stopped on end sweep after a 5 yard gain.

Kellogg goes around end for 40 yards with protection of Walker.

Wiley around end for 5 yards with Linn's help.

Kellogg set for big gain is stopped by Albany star.

Who's got the ball?

Lion's get set for Albany.

Dyer looks down at Albany's first string quarter-back.

Wiley tries an end sweep but is stopped abruptly.

Berumen caught between two Amador players.

Lions pause for a picture following Homecoming Victory. Nice game TEAM!

Football 1959

Playing one of the toughest schedules a Liberty football team has ever had to face, the Lions won two and lost seven during the season. Both wins were against league opponents and gave the varsity a tie for third place in the league standings. Undefeated Livermore won the title.

Seniors playing their last game for Liberty were Mel Hollen, Dennis Sanchez, Elfrain Martinez, Gary Walker, Ray Barrios, Bob Belleci, Dave Rios, and Mike McAtee.

At the conclusion of the season the teams were honored by the Brentwood Lions Club with a chicken dinner.

Special awards were given to outstanding players, and Mr. B. J. Callaghan was presented with an autographed game football to commemorate his many years of service to the school.

Mel receives two awards.

Class of 1960

Alas! It's all over! Yes, and all games, good times, and senior activities at good ole Liberty High are now fond memories. We shall never forget our many wonderful experiences of this senior year.

Class activities got off to a good start with the coke sale. As soon as we had finished one project another fell into place. The Senior Assembly, the Senior Ball, and our very successful Senior Day rounded out the activities of a most enjoyable year. Truly, we have had our share of fun, excitement, and memorable experiences.

As you, the Class of 1960, turn through the following pages may the pictures brighten memories of good times, good friends, and a good life. And in the years to come when you glance back at the 1960 Lion, may you be reminded of all those good ole days at Liberty High.
